

Olinda Falls

Starts and Finishes at Olinda Falls Picnic Ground
600m : 45 mins : Medium Difficulty

One of two waterfalls worth visiting and an easy 600m round trip. You can take the track from Mechanics Reserve on the Tourist Rd for a longer walk. The down-hill takes you to a junction where you have the option of visiting the upper or lower falls viewing platforms.

E Green 'Emergency Marker' signs are to help pinpoint your exact location in the case of an emergency. In an emergency, call 000 and quote the emergency code. Markers are identified on the map with an E symbol.

Marker locations have been sourced from Parks Victoria Maps and only those that are along the walks we are highlighting have been shown. For exact locations of all emergency markers please download the Parks Vic Parks Map.
